TO: HALSWIG PD (X@ LOECHNER)

On 2 April 57 met HALSWIG for 1st time during showing of BfV surveillance film "Gruppe Michael faellt aus". He was introduced to us as Dr. Halswig and then--sure 'nuff-- addressed as Dr. LOECHNER by others present. The only one who seemed aware of the boo boo was Nollau (and presumably HALSWIG).

long  
He is short, round flabby face, greying--partly white hair combed back, wears glasses (heavy hornrimmed), discolored teeth, ca. 50 yrs old.

Halswig was in charge of the film production and pointed out that it had started from scratch. His job is head of all surveillance activities. He couldn't resist a little dig at WATSCHOUNEK who plays a lead role in the film. Seems WATSCHOUNEK sent the suit in which the first ~~pk~~ few scenes were shot --to the cleaners and didn't get it back for a long time. This clearly held up production since they couldn't have him appear in one suit at one place and in another around the corner.

HALSWIG seemed pleased with our film.
